

RIO Individual Contributor License Agreement ("Agreement"), v1.0

Project: Robot I/O ("RIO") — <https://robot-i-o.github.io> | **Steward:** Lavoro AI, Inc. ("Lavoro")

Thank you for your interest in contributing to RIO. In order to clarify the intellectual property license granted with Contributions from any person or entity, Lavoro, as the primary steward of the RIO project, must have a Contributor License Agreement ("CLA") on file that has been signed by each Contributor, indicating agreement to the license terms below. This license is for your protection as a Contributor as well as the protection of Lavoro, the RIO project, and its users; it does not change your rights to use your own Contributions for any other purpose.

If your Contributions are made in the course of your employment, or your employer has rights in your Contributions, please have your employer execute the RIO Corporate Contributor License Agreement instead of (or in addition to) this Agreement.

You accept and agree to the following terms and conditions for Your present and future Contributions submitted to the RIO project. Except for the license granted herein to Lavoro and recipients of software distributed by the RIO project, You reserve all right, title, and interest in and to Your Contributions.

1. Definitions

"You" (or **"Your"**) shall mean the copyright owner or legal entity authorized by the copyright owner that is entering into this Agreement with Lavoro. For legal entities, the entity making a Contribution and all other entities that control, are controlled by, or are under common control with that entity are considered to be a single Contributor. For the purposes of this definition, "control" means (i) the power, direct or indirect, to cause the direction or management of such entity, whether by contract or otherwise, or (ii) ownership of fifty percent (50%) or more of the outstanding shares, or (iii) beneficial ownership of such entity.

"Contribution" shall mean any original work of authorship, including any modifications or additions to an existing work, that is intentionally submitted by You to the RIO project for inclusion in, or documentation of, the RIO project (the "Work"). For the purposes of this definition, "submitted" means any form of electronic, verbal, or written communication sent to the RIO project or its representatives, including but not limited to communication on electronic mailing lists, source code control systems (e.g., pull requests on GitHub), and issue tracking systems that are managed by, or on behalf of, the RIO project for the purpose of discussing and improving the Work, but excluding communication that is conspicuously marked or otherwise designated in writing by You as "Not a Contribution."

2. Grant of Copyright License

Subject to the terms and conditions of this Agreement, You hereby grant to Lavoro and to recipients of software distributed by the RIO project a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable copyright license to reproduce, prepare derivative works of, publicly display, publicly perform, sublicense, and distribute Your Contributions and such derivative works.

3. Grant of Patent License

Subject to the terms and conditions of this Agreement, You hereby grant to Lavoro and to recipients of software distributed by the RIO project a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable (except as stated in this section) patent license to make, have made, use, offer to sell, sell, import, and otherwise transfer the Work, where such license applies only to those patent claims licensable by You that are necessarily infringed by Your Contribution(s) alone or by combination of Your Contribution(s) with the Work to which such Contribution(s) was submitted. If any entity institutes patent litigation against You or any other entity (including a

cross-claim or counterclaim in a lawsuit) alleging that Your Contribution, or the Work to which You have contributed, constitutes direct or contributory patent infringement, then any patent licenses granted to that entity under this Agreement for that Contribution or Work shall terminate as of the date such litigation is filed.

4. Authority to Grant

You represent that You are legally entitled to grant the above licenses. If Your employer(s) has rights to intellectual property that You create that includes Your Contributions, You represent that You have received permission to make Contributions on behalf of that employer, that Your employer has waived such rights for Your Contributions to the RIO project, or that Your employer has executed a separate RIO Corporate Contributor License Agreement with Lavoro.

5. Original Creation

You represent that each of Your Contributions is Your original creation (see Section 7 for submissions on behalf of others). You represent that Your Contribution submissions include complete details of any third-party license or other restriction (including, but not limited to, related patents, trademarks, and license agreements) of which You are personally aware and which are associated with any part of Your Contributions.

6. No Warranty / No Support Obligation

You are not expected to provide support for Your Contributions, except to the extent You desire to provide support. You may provide support for free, for a fee, or not at all. Unless required by applicable law or agreed to in writing, You provide Your Contributions on an "AS IS" BASIS, WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, either express or implied, including, without limitation, any warranties or conditions of TITLE, NON-INFRINGEMENT, MERCHANTABILITY, or FITNESS FOR A PARTICULAR PURPOSE.

7. Third-Party Works

Should You wish to submit work that is not Your original creation, You may submit it to the RIO project separately from any Contribution, identifying the complete details of its source and of any license or other restriction (including, but not limited to, related patents, trademarks, and license agreements) of which You are personally aware, and conspicuously marking the work as "Submitted on behalf of a third party: [named here]".

8. Notification of Changed Circumstances

You agree to notify Lavoro of any facts or circumstances of which You become aware that would make the representations in this Agreement inaccurate in any respect.

9. Outbound License

In consideration of the licenses granted above, Lavoro agrees that Contributions will be distributed by the RIO project only under the terms of the open-source license(s) then applicable to the RIO project (currently Apache-2.0), or under other licensing terms approved by the RIO project's governance, provided such terms are consistent with an open-source license approved by the Open Source Initiative.

10. Miscellaneous

This Agreement is governed by the laws of the State of Delaware, USA, without regard to its conflict-of-laws provisions. This Agreement sets out the entire agreement between You and Lavoro regarding Your Contributions to the RIO project and supersedes all prior agreements and understandings on that subject. If any provision of this Agreement is found void or unenforceable, the remaining provisions shall remain in full force and effect.
